

SIERRA COLLEGE CAREER & TRANSFER CONNECTIONS SCAVENGER HUNT

1. Log in to Eureka Online and take the True Colors assessment. What color are you?
2. In the Choices program, find out the average annual earnings in Los Angeles, CA for an Interpreter.
3. Log in to Vocational Biographies and read the bio for Interpreter for the Deaf. What is an Interpreter for the Deaf, and how did the person interviewed choose this career?
4. Log in to California Career Café. Enter the “Explore” section, click on a pathway you’re interested in, then list two traits from the black box that describe you.
5. Log in to Sierra Job link and print out an interesting part time job opportunity.
6. Log in to the Mentor Network and locate someone that you would be interested in talking to for an informational interview. What is their name, business name and job title?
7. What are the two types (levels) of internships offered at Sierra College? What are the eligibility requirements to become a Sierra College intern? Does Deaf Studies have internships?
8. What are the three types of workshops that Career & Transfer Connections offers? What are the follow-up activities offered for each workshop?
9. Pull the handout “What Can I Do With A Major In...?” for a major you are interested in and list two occupations from that handout you might enjoy.
10. List two books from our library that you could use to explore a career that interests you.
11. From the handout “Top Ten Job Hunting Errors” name two “errors”.
